

New **Summer** 2018 MU **Online** course: Peace Studies 2291

# **INFORMATION TECHNOLOGY: FACILITATION AND CONSTRAINT FOR THE CREATIVE MIND**

Instructor: Curtis Edwards  
PhD Candidate, Sociology  
[acer34@mail.missouri.edu](mailto:acer34@mail.missouri.edu)

Reviews of Pea\_St 2182:  
"Fantastic class!" "The material, connections, and relevancy were incredible!"  
"The material was amazing! Thoroughly enjoyed"

## **Course Overview:**

This course will take a multidisciplinary approach to engage students on current debates about the development of various informational technologies. We will examine social, cultural, economic, political, and ethical issues related to technologies such as the internet and social media, robotics and artificial intelligence, autonomous cars, and Bitcoin.
